

# Agua Fresca de Pepino

## Ingredients:

3 quarts water  
3 English cucumbers, peeled and coarsely chopped  
7 limes, juiced to yield 1/2 cup juice  
1/4 cup sugar or more if desired

## Directions:

Put 1/2 cup water in blender or food processor with 1 cup chopped cucumber  
Blend until smooth  
Add more cucumber and blend  
Continue until all cucumber is pureed

Strain cucumber juice with wire mesh sieve into a large pitcher to remove seeds  
Add remaining water, lime juice and sugar to taste  
Chill before serving

Makes 4 - 12 oz servings
